## THE LIGHTING RESOURCE FOR THE ENLIGHTENED HOMEOWNER.

Ready to build or remodel your dream house? Let State Electric Supply Co. assist you with ideas for comfort and convenience.

You've probably listed several amenities to make your home more comfortable and easy to maintain. What about a heated driveway or walkway? A state-of-the-art intercom or audio system, conventional central vacuum or perhaps a whole house dimming system to control all of the lighting in your home? State Electric Supply Co. can provide all of these and much more. We'll show you dozens of ways to give your new home all the comfort and easy upkeep you desire. So talk to the experts at State Electric Supply Co. first. We can help make your dream home all that you want it to be.
