*"The house should rise out of the ground and utilize the natural material of the environment."*

Frank Lloyd Wright (Architect 1867-1957)

Inspired by the love of nature and natural products, this home sets on a private 1.7589 acre wooded hillside. The home has a brick exterior, wide roof overhangs, vinyl soffit, aluminum guttering and is tastefully landscaped with accent lighting. The rear of the home has a spacious terraced patio area that is great for watching wildlife or hosting a large group of guests. Visit the web site, [www.17watchhilldrive.com](http://www.17watchhilldrive.com), for more information and then call Gary Lunde at 740-701-4120 to make an appointment to see this beautiful home.
