## *Easy Living In Barboursville*

This well-cared for, one owner, brick, 3 bedroom, 1.5 bath ranch home is ready for it's new owners. The finished lower level with gas log fireplace offers plenty of comfy space for a game room and a family room. Or maybe you need a home office off the family room. The main level offers hardwood flooring in most rooms. A lot of the major components are newer (windows, roof, hot water heater, carpeting & more). Fenced yard. The oversized garage/workshop is a "man cave" with 2 forms of heat. Call today to arrange to view this home. #117211 \$139,900
